Mitsubishi Corporation Life Sciences Limited

## **Production Subsidiary, KOHJIN Life Sciences Co., Ltd., Rated “Silver” in EcoVadis 2025 Sustainability Assessment**

Mitsubishi Corporation Life Sciences Limited (head office: Chiyoda-ku, Tokyo; President & CEO: Koji Shimizu) is pleased to announce that its production subsidiary, KOHJIN Life Sciences Co., Ltd. (headquarters: Chiyoda-ku, Tokyo; President and CEO: Ken Hasegawa; hereinafter, “KJLS”), has earned the Silver medal for the second consecutive year in the EcoVadis sustainability assessment.

EcoVadis assesses the sustainability practices of companies across more than 250 industries and over 185 countries in the four themes of “Environment,” “Labor & Human Rights,” “Ethics,” and “Sustainable Procurement.”

The medals awarded to the top 35% of companies assessed by EcoVadis are Platinum (top 1%), Gold (top 5%), Silver (top 15%), and Bronze (top 35%). KJLS earned the Silver medal in August 2025 following on from the Bronze medal in 2023 and the Silver medal in 2024.

The Group will continue to aim to achieve a sustainable society through its business activities.
